RESPONSE

In response to a requirement mailed March 18, 2002 to submit a substitute CRF copy of the "Sequence Listing," submitted herewith please find a copy of the Notice to Comply and a substitute CRF copy of the Sequence Listing.

The amino acid sequences in the attached CRF copy and on the paper copy mailed October 31, 2001 (date stamped received January 10, 2002) are identical and no new matter is presented.

No CRF Diskette Problem report was attached to the requirement. It is presumed that the problem was that the diskette had been damaged by PTO or USPS mail procedures. Reconsideration withdrawal of the requirement is requested.
